

February 2022

Dear Parents, Community Members and Community Partners:

We are pleased to present the Annual Education Report (AER) which provides key information on the 2020-2021 education progress for the Ingham ISD Transition Programs. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Michel McDonald at 517.244.1210.

The AER is available for your review electronically by visiting the [Ingham ISD website \(www.inghamisd.org\)](http://www.inghamisd.org), or you may review a copy in Michel McDonald's office at Ingham Intermediate School District in Mason, MI.

For the 2020-21 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA.) A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given. Our programs have not been given one of these labels.

The students served in all Ingham ISD Transition Programs have specific transition-related educational goals as identified in their Individualized Education Program (IEP.) The program focuses on work readiness, social skills, employability skills and work experience. The program teachers are highly trained and skilled at providing the best educational experience possible to help students achieve the skills needed to become productive and independent citizens in their communities.

Process for Assigning Pupils to the Programs:

The programs work with local Ingham county member districts and community partners to provide evidenced-based services to students as determined through the IEP process. We do not enroll students independent of local involvement. Any individual interested in the program would first contact the local special education director of their resident district.

Status of the School Improvement Plan:

The Transition Program's School Improvement Plan focuses on collaboration among professionals to ensure appropriate instruction on academic, functional, safety and vocational skill development.

Brief Description of the Specialized Programs:

The students served in all Ingham ISD Transition Programs have specific transition-related educational goals as identified in their Individualized Education Program (IEP.) The programs focus on work readiness, social skills, employability skills and work experience. The program teachers are highly trained and skilled at providing the best educational experience possible to help students achieve the skills needed to become productive and independent citizens in their communities.

The multiple transition programs are operated by Ingham Intermediate School District (IISD) and are located on the ISD campus in Mason, Michigan and within the community. These programs serve students 18-26 years old and are focused on post-secondary transition and employability skills. Please see the attached flyer outlining the different stages of transition programs that we provide and what each program addresses.

Core Curriculum Description, Implementation & Explanation:

Individual student core curriculum can be accessed through your student's teacher or by contacting Sarah Winslow. Additionally, please visit the [Core Standards](http://www.corestandards.com) website (www.corestandards.com). The transition programs may implement Essential Elements of the Core Curriculum, which varies from the state's model in that these elements focus on the critical components of the Core Curriculum, bringing the learning targets within reach of our students. The [Essential Elements](https://www.michigan.gov/mde/0,4615,7-140-22709_28463-18034--,00.html) (https://www.michigan.gov/mde/0,4615,7-140-22709_28463-18034--,00.html) can be accessed on the Michigan Department of Education website.

The Aggregate Student Achievement Results:
Please see the attached achievement reports.

Number and Percent of Students Represented by Parents at Parent-Teacher Conferences:
During the 2020-2021 school year, over 98% of parents attended a virtual or in person conference.

Ingham ISD Transition Programs

Mission Statement:

Ingham ISD Transition Programs will prepare students to successfully transition into post-secondary life, including skills for employment.

Vision Statement:

All students will be able to live and work within their community as independently as possible.

Belief Statement:

All students can increase their individual skills to be active members of their communities.

Ingham ISD is pleased to have the opportunity to work local students and look forward to continued growth and educational success.

Kindly,

Michel McDonald

Director, Transition Services
Ingham Intermediate School District
