### **Ingham ISD Celebrates School Board Recognition Month**

It's School Board Recognition Month and Ingham ISD is joining school districts across Michigan to celebrate the commitment our board members make to students and families.

“Our school board members spend countless hours of unpaid time working to learn all they can about school districts, how they operate, what students need to be successful and to provide the best possible education for our students,” said Superintendent Jason Mellema. “Too often the efforts of school board members go unrecognized. Celebrating School Board Recognition Month is one way for us to say thank you.”

The men and women serving Ingham ISD, the district in which they live and their years of service are:

Erin Schor, President, began serving in 2013, lives in Lansing  
John Wolenberg, Vice President, began serving in 2005, lives in East Lansing  
Nancy Stanley, Secretary, began serving in 2009, lives in Mason  
Michael Flowers, Treasurer, began serving in 2012, lives in Lansing  
Lori Zajac, Trustee, began serving in 2018, lives in Holt

“Being a school board member is a year-round commitment and we like to take a moment and pause at the beginning of each year to thank them for their service. Our families and districts rely on their guidance and support to improve student outcomes. We really cannot thank them enough.” Mellema added.

Ingham Intermediate School District supports twelve local school districts and ten public school academies in its service area which reaches into seven counties in the mid-Michigan area. The local school districts include: Dansville, East Lansing, Haslett, Holt, Lansing, Leslie, Mason, Okemos, Stockbridge, Waverly, Webberville and Williamston.
