

## Ferris Direct College Credit Frequently Asked Questions

### HOMEWORK!

- ENGL 150: Based on reading & writing skills 3-4 hours homework weekly
- Business & Risk Management, Culinary & Hospitality, Cybersecurity & Digital Forensics, and Educational Careers : curriculum is embedded into course work but may have additional homework

### How do concurrent enrollment partnerships benefit the students, instructors, and high school?

- Partnerships provide rigorous postsecondary academic challenges to high school students at the Wilson Talent Center
- Courses focus student learning on critical thinking and writing skills
- Students are evaluated with multiple and varied assessments
- Wilson Talent Center instructors are provided with ongoing professional development led by university faculty and staff
- Partnerships foster strong local networks among secondary and postsecondary educators
- College admissions officers now look for evidence of rigorous course work on students' high school transcripts
- Students earning concurrent enrollment credit may enjoy greater flexibility as full time college students by pursuing a second major or taking advantage of study abroad and/or internship opportunities
- Students are able to reduce their cost of a college education since tuition is cover by the Wilson Talent Center

### Where are the courses taught?

Concurrent enrollment courses are taught at Wilson Talent Center.

### Who teaches the class?

Classes are taught by Wilson Talent Center instructors who are approved by Ferris State faculty.

### Where can I learn more about concurrent enrollment?

You may visit the National Alliance of Concurrent Enrollment Partnerships at [www.nacep.org](http://www.nacep.org)

### How do I request my FSU college transcript?

Current students can login to the Ferris State University website, click on MyFSU and enter their User Name and Password. Click on the My Academics tab and then the Transcripts and Enrollment Verification link. This will open the National Student Clearinghouse where you can enter your online request for transcripts from Ferris State University.

Transcript fees: Transcripts are \$5.00 per copy. Online transcript ordering through the National Student Clearinghouse carries an additional per order processing charge of \$2.25 but gives the option of paying by credit card.
