GRANT FUNDS

It is the intent of the Board of Education to provide equal educational opportunities for all students within the District. Government agencies, as well as foundations, businesses, and individuals, periodically offer both human and material resources to the District that would benefit students and the educational program. Therefore, it is the desire of the Board to consider grant proposals and applications for their potential to enhance educational opportunities, the educational environment, and the physical and mental growth for each student.

The Superintendent, or his designee, shall review new Federal education legislation and prepare proposals for programs s/he deems would be aid to the students of this District. The Superintendent shall approve each such proposal prior to its submission, and the Board shall approve all grants resulting from such proposals. The Superintendent shall promulgate necessary administrative regulations to comply with the Board’s direction.
