DISTRICT WEB PAGE

The Board of Education authorizes the creation of websites by employees and students of the school district to be published on the World Wide Web. The creation of websites by students must be done under the supervision of a professional staff member. These websites must reflect the professional image of the District, its employees, and students. The content of all pages must be consistent with the Board’s Mission Statement and is subject to prior approval of the Superintendent or designee.

The purpose of such websites must be to educate, inform, and communicate.
