PUBLIC SCHOOL ACADEMIES - REVIEW AND APPROVAL OF APPLICATION

A. The superintendent and/or his/her designee shall develop an application procedure, contract, and other necessary appropriate documentation to allow interested parties to apply for and be granted approval as a public school academy.

B. The approval process shall contain the following documents:

1. An application form which shall solicit:
   a. Identification of the applicant.
   b. Information on the board of education.
   c. Information on the articles of incorporation.

2. A contract to be entered into between the applicant and the district.

3. Procedure for fiscal oversight of the academy as it impacts the liability of the district.

4. Any and all other necessary procedures and oversights which may be required by law or to protect the interests of the district.
