FEDERAL FUNDING – TITLE I

A. The Board of Education elects to augment the educational program of educationally disadvantaged students by the use of federal funds in accordance with Title I and the Amendments to the Elementary and Secondary School Improvement Act of 1965.

B. The superintendent shall prepare and present to the Michigan Department of Education a plan for the delivery of services, which meets the requirements of the law, including those described below. The plan shall be developed by appropriate staff members and parents of students who will be served by the plan. The superintendent shall develop appropriate administrative procedures to ensure compliance with all requirements.
