SCHOOL SAFETY INFORMATION

The Board of Education is committed to maintaining a safe school environment. The Board believes that school crime and violence are multifaceted problems which need to be addressed in a manner that utilizes the best resources and coordinated efforts of School District personnel, law enforcement agencies, and families. The Board further believes that school administrators and local law enforcement officials must work together to provide for the safety and welfare of students while they are at school or a school-sponsored activity or while enroute to or from school, or a school sponsored activity. The Board also believes that the first step in addressing school crime and violence is to assess the extent and nature of the problem(s) or threat, and then plan and implement strategies that promote school safety and minimize the likelihood of school crime and violence.
