WORKPLACE SAFETY

A. All employees are responsible for maintaining a safe work environment and participating in investigations as necessary. Reasonable action will be taken to ensure that persons involved in an investigation, or in providing information during an investigation do not suffer any form of retaliation, because of their good faith participation. Steps to avoid retaliation may include placing a party to the investigation on administrative leave or other reasonable action. Additional steps may be taken to address workplace safety issues.

B. It is the District’s desire to create and maintain an environment free from disruptive, threatening, and violent behavior. The District will not tolerate inappropriate or intimidating behavior within the workplace (see examples below).

All reports or complaints under this policy will be investigated and include confidentiality where appropriate. Once an investigation is complete, a recommendation on how to handle the complaint will be submitted to the Superintendent for disposition. Some behaviors may also be prohibited under criminal law, and where appropriate, the Superintendent will report such cases to the proper authorities and shall inform the Board of such report(s).
