CURRICULUM REVIEW PROCESS

A. Definition of Curriculum

1. For the purposes of this document, the following terms are defined:
   

b. Instruction: The actions of the teacher before, during and after teaching to support student engagement and learning.

c. Assessment: Instruments used to collect data, evaluate student performance and adjust instruction that is reliable and valid.

B. Curriculum Review and Oversight

1. Curriculum review and implementation is a joint process between teachers, consultants, administrators, and community resource people.

2. The steps involved in the curriculum review process are listed below.

a. The assistant superintendent is responsible for oversight of the district’s multi-year plan for the curriculum review process.

b. The program curriculum committees are responsible for reviewing, revising and evaluating curriculum.

c. The directors of CSTE and special education will monitor the curriculum review and implementation process and submit appropriate curriculum documents to the board.
