SECURITY AND VIDEO SURVEILLANCE

A. The superintendent is authorized to install, on district owned property, video/electronic surveillance systems in monitoring activity on school property in order to protect the health, welfare, and safety of students, staff, visitors and district property and other security devices which would assist in the detection of guns and dangerous weapons.

B. Video surveillance will not be used in bathrooms or locker rooms, although these areas may be placed under surveillance by individuals of the same sex as the occupants of the bathrooms or locker rooms as deemed necessary.

C. The district will post signs at the main entrances to buildings stating that video surveillance cameras are in use to monitor activity within buildings for security purposes.
