RECORDING OF DISTRICT MEETINGS INVOLVING STUDENTS AND/OR PARENTS

Parents and students are expressly prohibited from using covert means to listen-in or make a recording (audio or video) of any meeting or activity at school. This includes placing recording devices, or other devices with one- or two-way audio communication technology (i.e., technology that allows a person off-site to listen to live conversations and sounds taking place in the location where the device is located), within a student's book bag, on the student's person or otherwise in an area capable of listening in or recording without express written consent of the Superintendent. Any requests to place a recording device or other device with one- or two-way audio communication technology within a student’s book bag or on a student’s person shall be submitted, in writing, to the program supervisor. The District representative shall notify the parent(s), in writing, whether such request is denied or granted within five (5) days.

If the District audio records any meeting, the resulting recording shall become a part of the student's educational record and will be maintained in accordance with State and Federal law.
