CHILDREN AND YOUTH IN FOSTER CARE

The Board of Education recognizes the importance of educational stability for children and youth in foster care. Further, the Board recognizes these children and youth as a vulnerable subgroup of students in need of safeguards and supports in order to facilitate a successful transition through elementary and secondary education and into college and/or careers. To that end, the District will collaborate with the Michigan Department of Education (MDE), other schools and school districts, and the appropriate child welfare agencies to provide educational stability for children and youth in foster care.
