STUDENT DISCIPLINE – EXPULSIONS/SUSPENSIONS REQUIRED BY STATUTE

One of the primary objectives of the Ingham Intermediate School District is to assist each student in becoming a responsible, self-controlled individual to the limit of his/her ability. At times it may be necessary to reduce grades, remove students from programs, suspend or expel students for failing to follow programmatic and academic requirements, violation of laws or school policies. The superintendent shall develop appropriate administrative regulations which provide for notice, opportunity to be heard and any and all other due process rights to be afforded to the impacted student.

The Board of Education is continually concerned about the safety and welfare of District students and staff and, therefore, will not tolerate behavior that creates an unsafe environment, a threat to safety or undue disruption of the educational environment.
