

00;00;02;10 - 00;00;05;45

I chose the
culinary arts because I just love cooking.

00;00;05;46 - 00;00;08;44

I enjoy, all the things that go into it.

00;00;08;44 - 00;00;11;47

I enjoy eating the food.
I enjoy making it.

00;00;12;12 - 00;00;16;39

And I would like to have a further career
in the culinary arts.

00;00;16;58 - 00;00;21;31

I really love just the aspect
of being able to learn as much as we do.

00;00;21;31 - 00;00;23;28

There's a lot of learning that we do

00;00;23;28 - 00;00;27;27

at the beginning that really builds
a base understanding of what

00;00;27;27 - 00;00;31;13

you need to really go into culinary
and to cook in general.

00;00;31;57 - 00;00;34;56

And what

00;01;17;33 - 00;01;20;49

For a second year of culinary,
there's a lot I get to look forward to.

00;01;20;50 - 00;01;23;43

There's two big things
that I'm really getting excited for.

00;01;23;43 - 00;01;27;08

One is the food truck
that the second year, do they operate

00;01;27;08 - 00;01;30;13

and run the entire thing
under the supervision of Chef Bailey?

00;01;30;31 - 00;01;31;47

It's a lovely thing.

00;01;31;47 - 00;01;35;24

They get to just do
all of the things in it.

00;01;35;24 - 00;01;38;35

So they invent the menu,
they make the menu,

00;01;38;44 - 00;01;41;00

and they run the entire food truck.

00;01;41;00 - 00;01;44;45

for any 10th grader
that's wanting to apply, I really just,

00;01;44;52 - 00;01;49;47

I would tell them that in the beginning,
there will be a lot of bookwork

00;01;49;47 - 00;01;53;52

and learning that you get to experience
But as well just go into it

00;01;53;52 - 00;01;56;27

knowing that it's culinary
and it's really it's

00;01;56;27 - 00;02;00;15

going to be a lot of work,
but it's a lot of payoff as well.
